Industrial Display System

Data Sheet

Display solution for Industries

- RS232 Display with 1",2",4",6" and 12" Size
- RS485 Display with 1",2",4",6" and 12" Size
- Ethernet Display with 1",2",4",6" and 12" Size
- Wi-Fi Display with 1",2",4",6" and 12" Size
- USB Display with 1",2",4",6" and 12" Size
- Bluetooth Display with 1",2",4",6" and 12" Size
- Counter, Bus, Production, Token, Environmental Parameters Display
- Price, Manufacturing date, Expiry Date Display
- 4-20mA Input Display

Supply voltage 230 AC

Module Sizes: Common module 320mm x 160mm

BRITNESS :8000cd/m2 Refresh rate :3840hz Viewing angle: 160deg

High brightness, Wide viewing, long lifespan, Easy installation, Cost effective, High resolution, Energy saving

Application: Outdoor & Indoor
